TELSTAR REGIONAL HIGH SCHOOL
BETHEL, MAINE

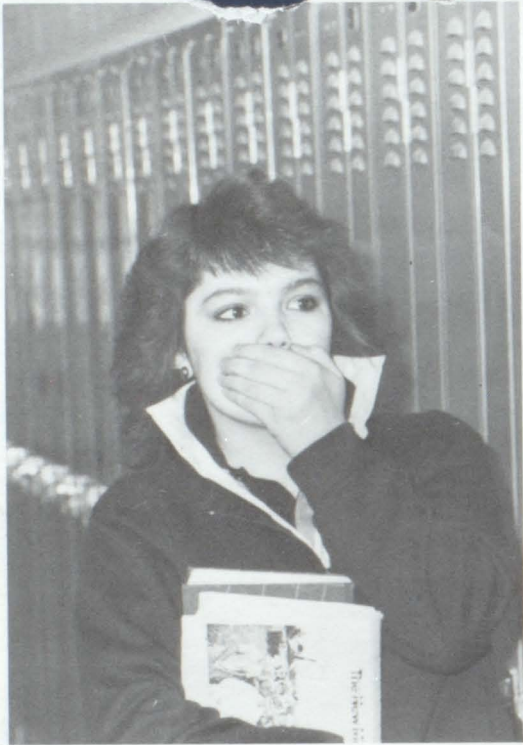

HOME OF THE REBELS

To the Class of 1985:

Samuel Clemens, universally known as Mark Twain, was one of America's most famous comic writers and was possibly one of the few original satirists this country has produced. Through Twain, Clemens was able to question the meaning and value of "modern man."

As Tom Sawyer and Huck Finn traveled from one detailed adventure to another, they gathered more educational experience than will ever exist within the walls of a school building. Education must be more than textbooks, formulas, and tests:

It's the people you are sharing the experience with.

It's the process of finding out "why" and not just because some person said it was so.

It's the satisfaction of knowing that you met a difficult task and were equal to the challenge.

It's being able to look back upon the past with mixed emotions while turning to meet the next challenge.

As you step to meet the next challenge, be reminded that knowledge is only powerful if you know how to use it effectively and that no one can make it without his or her friends.

Best wishes to you as you leave Telstar Regional High School and S.A.D. #44.

Dewaine B. Craig
Superintendent of Schools

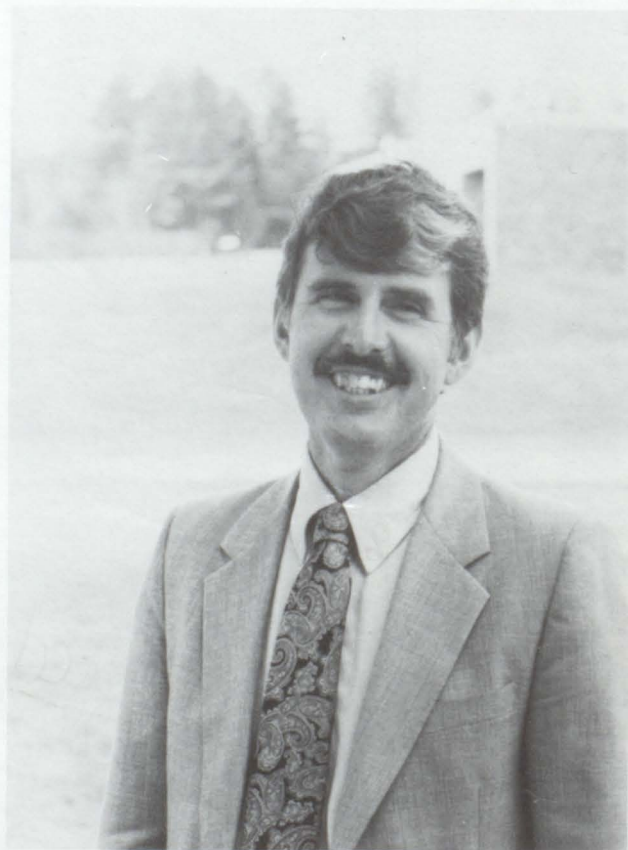

To the Class of 1985:

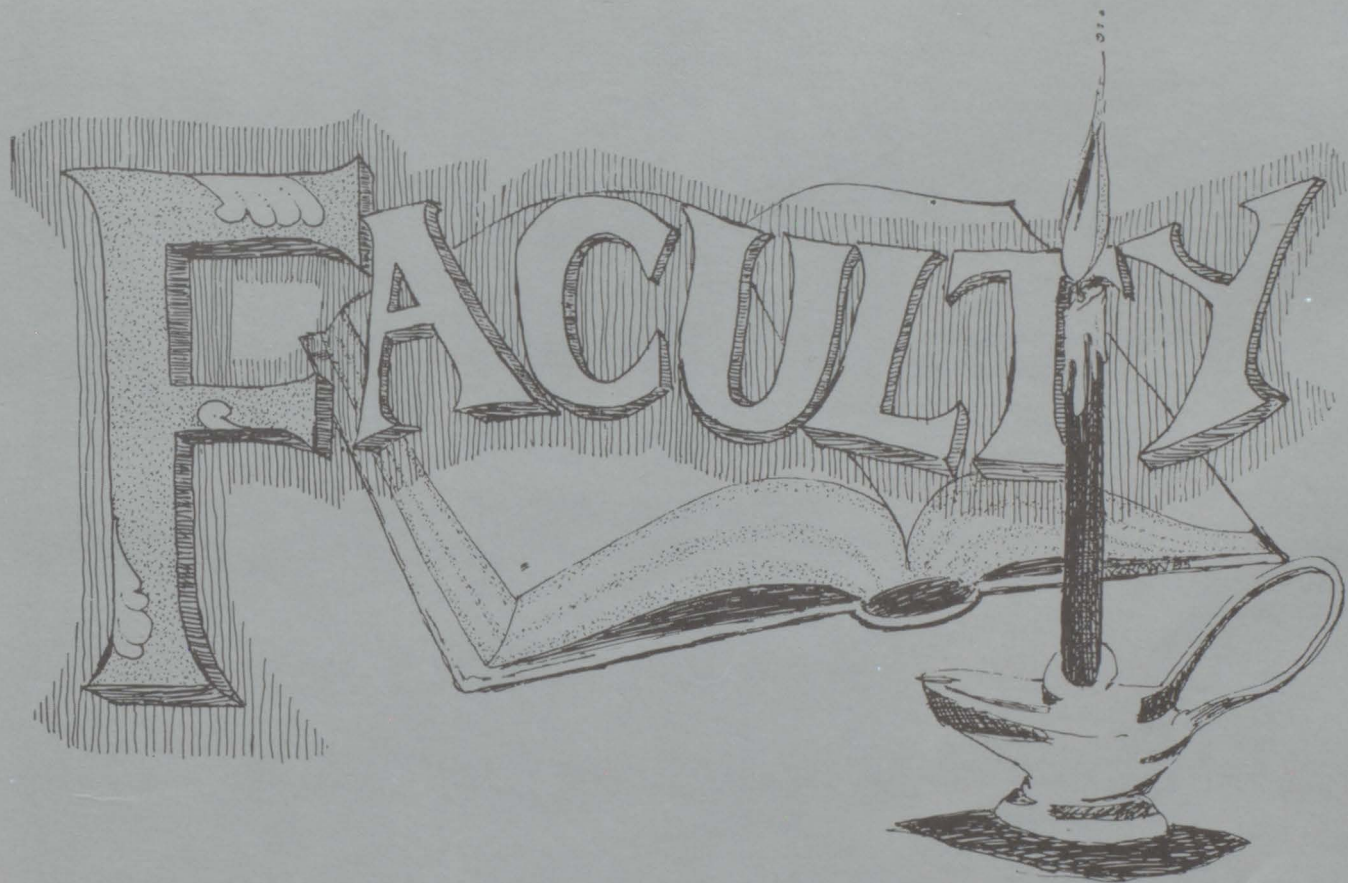

The four years of high school are unique in that they offer a wide variety of valuable and interesting experiences to each and every individual who is a member of that school.

You, the Class of 1985, therefore would do well to consider Telstar Regional High School as a vast storehouse from which each may take what you will; the only limitations are those placed upon you by your own ability and effort.

I wish you the best of luck in your future endeavors.

IN MEMORY OF JOHN GLENDENNING

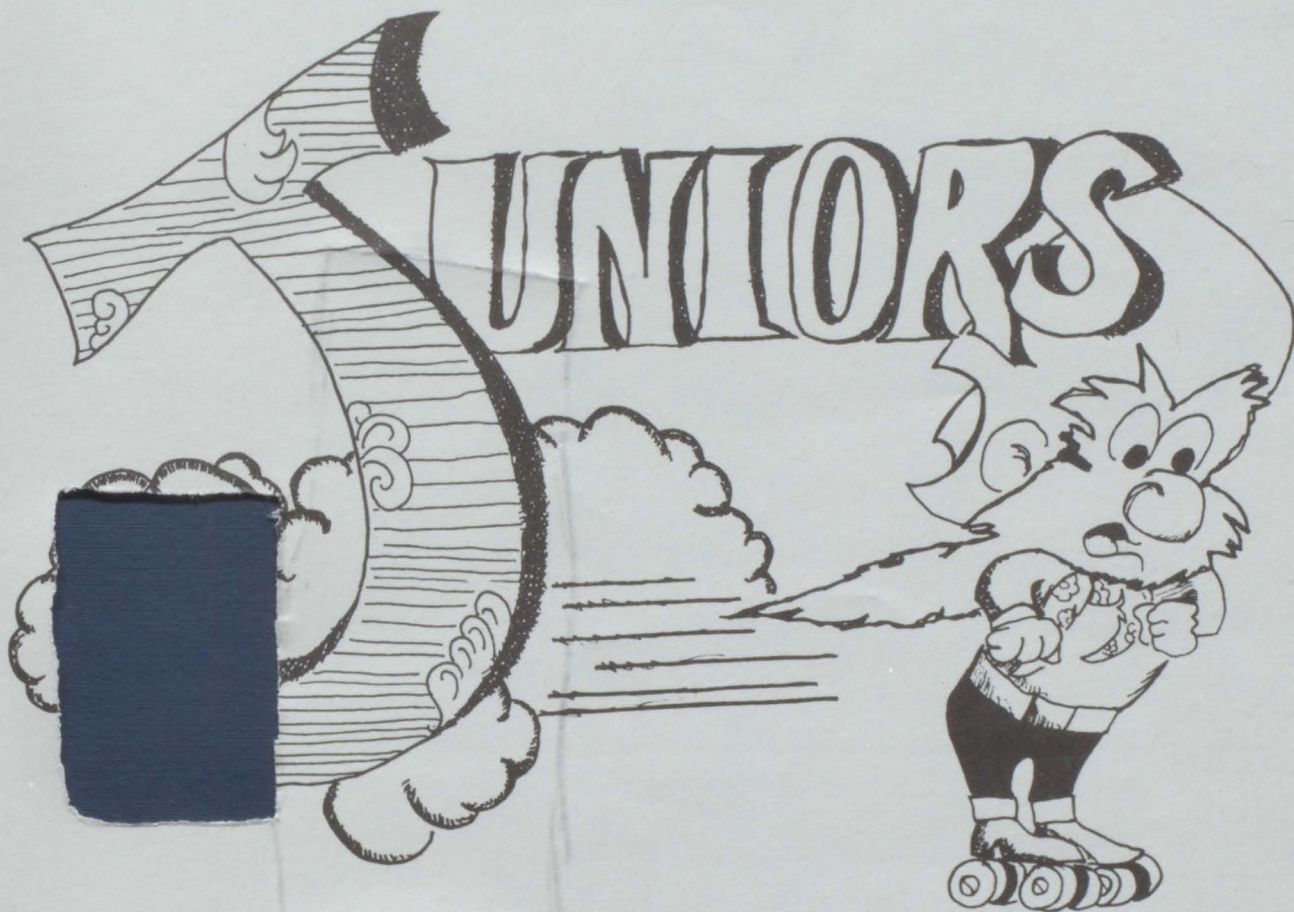

1966-1985

To John

*To a dear friend
I say farewell.
To know you was a privilege.
To be a close friend
was an honor.
You were different
right from the start
and you fit into our group so well.
We were all misfits
who only had each other.
But now our circle of friends
has been broken
and will rejoin smaller but stronger.
You have taught us all a lesson.
If we love someone
we should tell them so
and let them know
they are not alone.
We will remember
in years to come
and laugh at all the good times.
We will also remember
the bad times
and cry for you (and ourselves)
when the grief
is too much to bear.
I hope you have found
the peace you always wanted
and deserved
To John Glendenning I say the words
you were longing to hear.
I love you*
